Summer 2014

Portfolio Management. Reinvented.

✓ Customizable ✓ High Performance ✓ User Experience ✓ Cloud

Inside This Edition

Our feature article tells the story of an unfortunately common dilemma many trading desks face - **trading systems that, rather than simplify, complicate** their daily trading tasks.

Taking Back Control

Trading is difficult enough as is—the last thing you want to do is make it even harder by using cumbersome systems. Read how one fund used **Sky Road Motion** to simplify their workflow and **take back control**.

[Read Case Study](#)

Trading Show Chicago

Held June 4th-5th at Navy Pier, we showcased how funds can **centralize oversight** using the **high performance** portfolio risk capabilities of the Motion Platform, a key need in **high volume** trading environments.

New Motion 2.7 Release

Available Aug. 1st with key features including:

- **Swaption, exotic FX option** analytics via Numerix
- Market data interfaces to **Bloomberg B-Pipe**
- Enhanced **controls for sharing** of dashboards
